

Laboratorio delle Idee

Overview

Laboratorio delle Idee is an agency communication and strategic consultancy a bit special : since 1996 they produce contents and events, services and communication tools with particular attention to returning to visibility by equipping each activity with a cultural and positioning value for the customer to the audience of interest. Each event, exhibition and festival becomes the occasion to create relationships and develop activities promotional and co-marketing. They are a strategic partner for institutions and private individuals because they always identify new creative and effective formats growth opportunities.
