

I Portici Hotel

Overview

Entering I Portici Hotel, the guest feels welcomed in a place where coexist the refined Liberty atmospheres of Palazzo Maccaferri and the minimalist style chosen with care to furnish the rooms, enriched with important pieces of great names of Italian and international design.

The sensory experience continues and is amplified thanks to environments of incredible charm, like the restaurant Porticoes, located inside the Eden Theater of 19th century, Rocca di Galliera Ex Ice House, the Imperial Suite, the Lounge Bar, Osteria Portici, capable to transport those who observe and live them towards a new dimension.
