

Oratorio San Filippo Neri

Overview

The Oratory of San Filippo Neri with Mismaonda becomes a Laboratory: a fascinating cultural container owned by Fondazione del Monte, in the heart of Bologna.

The Oratory is a versatile space ideal for any kind of event:

from business conventions, assemblies, conferences, galas, to fashion shows and music courses, as well as a rich program of shows, meetings and concerts.

To bring different audiences together, to give space to the multiform art of being on stage and open up to a multitude of languages; to mirror the society that surrounds us.
