

La Fenice Catering

Overview

La Fenice Catering stands among the leading Italian companies in the high-level Banqueting business and it is known for its ability to offer great care, quality and attention to detail even with large numbers of attendees. With its great capacity for innovation, flexibility and creativity in dealing with unique and innovative events, La Fenice is able to deal with every challenge, even the most demanding. World-class chefs, a predilection for fresh and seasonal products, impeccable preparations, elegance and planning, and state-of-the-art production facilities are the ingredients that make La Fenice a prestigious signature of Italian catering, to the extent that it is also routinely chosen by even the most famous Italian starred chefs as a partner for prestigious events.
